

Schedule for Visual Art Displays at Central Office

2025-2026 School Year

ABOUT CENTRAL OFFICE GALLERY

There are 105 numbered frames (divided amongst schools) to display student work at Springfield's Central Office. Each school has a specific calendar rotation to display work.

INSTRUCTIONS

- ✓ Showcase your students' work at the Central Office Gallery!
- ✓ Find your school below to determine how many pieces to bring, what sizes, and where/when to hang them up.
- ✓ All work must be labeled in bottom right corner of the piece with the name of the school and artist.
- ✓ All work must be labeled on the back with the name of both the school and teacher name in the event work must be returned inter office.
- ✓ The frame number (#) is located on the front of each frame and corresponds with the number on the back of the frame. **PLEASE DO NOT MOVE THE FRAMES!** (note: frames allow for you to hang artwork in either landscape or portrait orientation- just don't switch frames out of their current location)
- ✓ Please be mindful of the setup and take down dates. *If you find artwork from another school in the frame, place your work over the top and leave the previous work in the frame.*
- ✓ If needed, please check with your school principal about using this artwork installation time in lieu of one school extended day (as approved by your school principal).
- ✓ The receptionist on the second floor may be available to assist if you have questions. You may also contact Gary Bernice by email or cell number 201-321-1974 with any questions.
